THE '911' SKIN HEALING COMBO

*ANTI-AGING SERUM & SUPRA™ NIGHT CREAM...
See the phenomenal healing results after 3 days.*

Two weeks ago I was in a pretty bad car accident and was left with a black eye, busted lip and a huge abrasion on my left cheek. With the help of Supra and Serum within 48 hours it was all gone. This was nothing short of a miracle!!! The doctor said these injuries would last two weeks but with the help of EMK I was back to work on Monday feeling great. Thanks to your products and innovation a terrifying accident left no trace of scarring or bruising. I am eternally grateful.

Best, Whitney Shannon
